

The Sling Bag, A Fashion Lookbook

By Jeremy Jimenez

History Behind The Sling Bag

The sling bag has had many names throughout the years, pouch, belt bag, sling, fanny pack, purse, crossbody bag etc. the sling bag goes back to 17th century, where girls that were taught to embroider made creative designs on their bags. The sling bag really started to become popular in the 1980s & 1990s where the fanny pack became a big part of fashion in that time. Throughout the years the sling bag has taken many shapes and designs and has been a prominent part in fashion.

THE LOOKS
